COMMUNIQUE

Employers are hereby informed that in view of the opening of borders scheduled for 01 October 2021, a special protocol is being devised in respect of foreign workers who have already been issued with a work permit and a residence permit and who will be prospectively travelling to Mauritius.

No foreign worker will therefore be authorised to travel to Mauritius pending the issuance of this protocol.

Employers are requested to liaise with the Ministry of Labour, Human Resource Development and Training on the following telephone numbers for the planning of the arrival of their respective workers: -
